DURABILITY

Patented ZipShade® technology guarantees a fixed fabric with no wrinkles.

WIND RESISTANT

The superior ZipShade® side channel technology results in extreme wind resistance up to 80mph when installed against a building.

EASY TO OPERATE

Offered exclusively with motorization, ZipShade® can be controlled with a remote or wall switch.

AUTOMATION

For full automation, ZipShade® can be controlled with our Eclipse sun sensor or any of our other automation products available.

CAPABILITIES

The ZipShade® is equipped with one of the most advanced zipper tracks in the industry resulting in superior wind ratings. When in closed position, the ZipShade® is insectproof and is operational in winds up to 80mph. Utilizing the ZipShade® in projects has many benefits including lower utility bills when the shade is installed on the exterior of the building. Increase your revenue with Zipshades installed on the patio allowing for additional seating in a more comfortable atmosphere throughout the year.

OUR COMPANY

Roll A Shade® has been manufacturing, installing and servicing window shades for 35 years. Our superior reputation spans all industries with the highest expertise in restaurant, convenience, financial, grocery and retail.
